PCRC Junior Program

This presentation deck is an update on the upcoming program plans for the Palm Coast Rowing Club Junior program. This highlights information for both the existing Junior members and families and is helpful information tool for prospective new Junior rowers as well. We are building on the momentum to develop a robust program for the youth of Palm Coast that will provide rowing programs for Middle and High School athletes with opportunities for Competitive and Recreational rowing.

 - b. This program will move into a further development program in November 2022

C. Indoor “Erg” for Youth

PCRC provides an indoor “Erg” rowing class opportunity at the Palm Coast Community Center from September to May every year. This is a great opportunity for Junior club members **to learn the proper rowing technique, develop understanding the proper use of an Erg machine, establishing erg workout goals, improving rowing fitness and connecting with others that are part of the program.** Note: PCRC Junior program will include some sessions at erg class.

1. Indoor Erg for Youth

- a. Held at the Palm Coast Community Center, 305 Palm Coast Pkwy NE, Palm Coast, FL 32137
- b. Seasonal November 17, 2022, to May 25, 2023

- d. Time: 4 pm (class may adjust to different times)
- e. Class is free to PCRC Junior members. Junior prospects pay \$5 per class to the community center. As mentioned in prior slide, prospect complete 2 classes
- f. Junior member sign up for classes to allow proper class capacity issues. This can be done at the PCRC website link here: [PCRC Erg Class Sign-up](#)

D. Program and On-the-Water Group Sessions

The current On-the-Water program for Juniors is focused and skill development, improving technical foundation (stroke technique on and off the water), aerobic fitness, stability and flexibility. For new rowers, the program will generally be recreation oriented where after a period of time will:

- Be better prepared for training and learning to grow into and competitive program or remain and stay focused on a recreational rowing plan.
- Demonstrate improved performances in technique, fitness, and stability
- Articulate greater understanding of rowing concepts and specifics of more effective rowing and athleticism
- Recognize & acknowledge his/her greatest strengths and weaknesses
